CONSENT TO RECEIVE DIAGNOSTIC SCREENING FOR COVID-19 AND AUTHORIZATION FOR RELEASE OF DIAGNOSTIC INFORMATION

I wish to receive a diagnostic screening test for Covid-19 from Epic Medical Labs (Epic). I consent to Epic administering the test. I understand that the Americans with Disabilities Act, the Family and Medical Leave Act, the California Confidentiality of Medical Information Act, and other privacy laws prohibit my employer or contractor from disclosing my medical/health information. However, in the interest of the health of my co-workers and others with whom I may have had contact on my worksite, I consent to the following:

- 1) I consent to and authorize the release my Covid-19 test results from Epic laboratory to my HR department; AND
- 2) I consent to and authorize my Human Resources Department and/or to disclose to employees at my worksite and to others, i.e., clients, visitors, customers, whom I may have encountered at my worksite the following: a. if my test result is positive for the COVID-19 virus; or b. that I have been exposed to the virus by being in close contact with someone who is believed to be infected with the virus.

I explicitly acknowledge that once the health information I have authorized to be disclosed reaches the specified recipient, that person or organization may re-disclose it to such persons as my employer and any of my employer's representatives, agents, vendors or consultants, at which time it may no longer be protected under applicable privacy laws.

I acknowledge I have been advised that I am not required to agree to this consent and that there will be no adverse consequences to my employment or contract if I choose not to consent. Further, I acknowledge that my employer or contractor did not coerce or pressure me to agree to this consent and disclosure. In disclosing this information, I understand my contractor will take reasonable measures to keep my name and identity confidential to the extent possible. I recognize that circumstances may require identifying me by name as the infected or exposed individual in order to properly warn others so they may take precautionary measures and help prevent further spread of the virus. I also understand there are times when it is not possible to inform others they may have been exposed to the virus without them learning that it was through contact with me. I have been advised that I have a right to receive a copy of this authorization.

I AGREE TO THE ABOVE:
